		<p>I have no personal knowledge where I myself or any of the other persons living in this house, were born, or when I cannot therefore state, with certainty, my own or their ages. I believe them to be of the ages before mentioned—but, not having inspected their persons cannot, with the exception of myself, be sure that the information herein given is correct. Nor can I tell whether they are married or single—widows or widowers, with the exception of my mother. Some, I call of them, with the above last mentioned exception may, for aught I know, have had "births" in 1851. I know I had none—nor do I wish to have any. As to what are "lunatics" I am not well able to define. I sometimes think I am myself slightly affected in that way. Some of our most celebrated Physicians are of opinion that more than nine tenths of the human race are cracked, and I think they are not far wrong. It is not possible for me to state, with exactness, how many members of their families Messrs. James Dunbar and John McMahon have—as they are to me strangers and they themselves tell me they do not know. Mr. Dunbar's father is an Officer in the 74<sup>th</sup> Regt. and is now in the Cape of Good Hope with his family. I have never seen him and know nothing of his family. Mr. McMahon has I believe relatives in Ireland, Halifax, Upper Canada, and other places and he tells me he does not know their number.</p> <p>I declare the above to be full and true in all its particulars to the best of my knowledge and belief.</p> <p>(Signature,) <i>C. Secretary Jan 1</i></p>

## NOTICE.—This Schedule will be called for on Monday, the 12th of January.

By the 11th Section of the Act 14 & 15 Victoria, Cap. 49, it is enacted "that every occupant of any house, or of any distinct story, apartment or portion thereof, with or for whom any Schedule shall be left—shall fill up the same to the best of his or her knowledge or belief, and sign the same so far as relates to all persons dwelling in the house, story or apartment occupied by him or her, and shall deliver the same to the Enumerator when required by him so to do; or in his or her absence, some other member of the family, if any of them be capable of so doing, shall fill up and sign and deliver the same to him, and every such occupant who shall wilfully or without lawful excuse refuse or neglect to fill up such Schedule, to the best of his or her knowledge and belief, or to sign and deliver the same as aforesaid when required, or who shall wilfully make, sign or deliver, or cause to be made signed or delivered, any false return of all or any of the matters specified in any such Schedule, shall thereby incur a penalty of not less than two nor more than FIVE POUNDS."

The several Enumerators have express orders rigidly to enforce the observance of the foregoing clause.

This Schedule is to contain the names of every person who abode in the house on the night of Sunday, January the 11th, 1852—whether the same be settled residents or transient passengers having their permanent residence elsewhere, and stating in Col. No. 5, whether such residence be in Upper or Lower Canada or out of Canada—and also every person usually resident, but then casually absent, distinguishing such persons from others.

By order of the Board of Registration,

W. C. CROFTON.
