1 Steam Saw-Mill of 12 Horse Power capable of sawing 1200,000 feet of lumber in the year estimated cost of property included £750.	7	This Steam Mill is most advantageously situated on the N.W. corner of the District immediately on the Grand River and has great facilities for the dispatch of business. The Mill is in constant operation and the lumber of the district is here generally delivered. The value of 1200,000 feet of lumber may be estimated at £2250. In this neighbourhood has recently been established a Post Office and there are manifest signs of rapid improvements taking place.
