Wm John Ridley
ENUMERATOR.

Information as to Mills, Factories, &c., &c., their cost, power, produce, &c.	Number of persons usually employed therein.	General Remarks of the Enumerator.
39	40	41
		The land in this township is in general very good and well cultivated. It generally sells at about \$1 per acre and no doubt in a few years when the railroads are cleared and the plank road now making through the township finished, and the G.T. Railroad which is at present laid out through the township the value of property will be doubled.
