		The Enumerator here with due respect begs leave to apologise as he thinks a slight error has been committed in the preceding sheets where the parties at school and the absent have not been carried out in single numbers. As he has is impressed with strong hopes that those of the most slender capacity may understand his system. The letters M. on the 2 nd page of each sheet signify the married or heads of families and the figures opposite the letters M. on those of the house hold.
