

Information as to Mills, Factories, &c., &c., their cost, power, produce, &c.	Number of persons usually employed therein.	General Remarks of the Enumerator.
39	40	41
		<p>This sheet comprises a class of people who are independent "poor" contracting nothing to the agricultural census, nor to schools labouring during the summer months for a daily living, but in winter doing very little. The men for the most part bring here and there for a days work while the rest of these large families are huddled together in Laleup.</p>

Names of Inmates.	Profession, Trade or Occupation.	Place of Birth.	Religion.	Residence if out of limits.	Age next birth day.	Sex.	
						Male.	Female.
