John Mitchell No 21 in the 11 Conception South Sherbrooke Saw Mill, Value Invested about £1500. Water power and upon one of the branches of the Mississippi, and the produce cut 175-000 feet No of Men Employed 2 The Soil is Sand and Rocks, and the timber is chiefly Pine	2	I have but few remarks to make, but as far as I can judge, South Sherbrooke is not good for farming I think it is fitter for lumber, as the timber is mostly Pine and the soil is Rocks and Sand one thing I will remark is that No 2, 3, 4 and 5 Conceptions of South Sherbrooke is mostly Lakes Swamps Creeks and Rivers
John Morrow No 14 in the 8 Conception South Sherbrooke Saw Mill, Value invested about £200. Water Power upon the Fall River on the South Branch of the Mississippi. Produce cut about 80-000 feet No of Men Employed 1	1	I have the honor to be your Obedt Servt John McEwen Enumerator South Sherbrooke
