		About one half excellent soil the residue of an ordinary quality. £150. One of the worst farms in the district held by a squatter £15
		This farm is a very fair sample of the district being interspersed with rock yet containing some good land £65 Very similar to the last but in a higher state of improvement and fewer rocks but stony £80
		This is a very inferior farm any land capable of cultivation being of trifling extent held by a squatter £20 Same as the last but the holder is the owner of its greater amount of cultivated land £20
		The same may be said of this farm as the two last held by a squatter £30
		One of the best farms in the district and in a good management £180
		A farm containing much good land perhaps three fourths of the whole may be classed as such and well managed £160
