

Information as to Mills, Factories, &c., &c., their cost, power, produce, &c.	Number of persons usually employed therein.	General Remarks of the Enumerator.
39	40	41
		Nearly one half of this farm is marsh the residue being good soil on the whole settled on £40
		An average farm containing some very good and some very poor rocky land good but some £120 Rocks all over yet where it can be cultivated good soil £50
		Somewhat like the last larger portions free from rock £100 roads inferior in this locality
		A small farm containing portions of good land but interspersed with rocks 80 Generally good apparently badly managed £90
		This farm lies in a very stony tract and partakes in some measure of that quality but a portion of it is light and sandy £100 A large farm, about one half good needs draining much about one fifth in good condition very well watered £240
		A very good farm but in a neglected state the owner being in feeble health and poor £100
		One of the stony farms that almost defies any attempt at cultivation poor watered £80 roads good in this locality
