

Information as to Mills, Factories, &c., &c., their cost, power, produce, &c.	Number of persons usually employed therein.	General Remarks of the Enumerator.																																							
39	40	41																																							
		Although the surface of this Township be rocky there are still some advantages - The country is well watered. Little clear streams are plenty and numerous pleasant springs youths thrive well, and complaints from sickness are few. There are scarcely any Doctors bills but land seems to maintain but a low price, the best land in the Township with 50 to 70 acres of improvements will seldom bring more than from 50 to 80 Pounds for a hundred acre lot
