

*John Lissuel*  
ENUMERATOR.

Information as to Mills, Factories, &c., &c., their cost, power, produce, &c.	Number of persons usually employed therein.	General Remarks of the Enumerator.
39	40	41
		The Indians cultivate small patches of land on an Island in Lake Couchiching upon which they raise a little Indian Corn and potatoes, and chiefly use for their clearings in Ramo, upon which they pasture a few heads of cattle. They secure but little produce for the support of their cattle during the winter, and place them with the militia soldiers, whom they have to pay for their keeping them.

Names of Inmates.	Profession, Trade or Occupation.	Place of Birth.	Religion.	Residence if out of limits.	Age next birth day.	Sex.	
						Male.	Female.
