

Information as to Mills, Factories, &c., &c., their cost, power, produce, &c.	Number of persons usually employed therein.	General Remarks of the Enumerator.
39	40	41
		As regards saw mills it has been out of my power to ascertain the amount of property interested as they are almost all on rented terms, and the most of the logs sawed are brought on the shores. the rent differs a great deal owing to the supply of water to keep the mill going. the highest is 100£ to 50£
		There was affmily of Col Severs left for ocean bound the morning I traveled that part of the ward

Name of occupier.	Concession or Range.	Lot or part of Lot.	Number of Acres of Land.					Wheat.		Barley.		Rye.		
			Held by each person or family.	Under Cultivation.	Under Crops in 1851.	Under Pasture in 1851.	Gardens or Orchards.	Under Wood or Wild.	Acres.	Produce Bsh.	Acres.	Produce Bsh.	Acres.	Produce Bsh.
