<p><u>U.S. Mill</u> On Lot No. 6 in the 4th Concession a Sawmill is situated at present occupied by James Bellack. It was erected in 1843 cost £130. It is wrought by water power and the stream is sufficient to work the mill for about 6 months in the year in that time they would cut about 150 thousand feet of lumber with the labour of two hands.</p>		
<p><u>Saw Mill</u> On Lot No. 15 in the 4th Con is situated a sawmill belonging to John Minch. It was erected in 1845 and probably cost £125. It is wrought by water power and from the smallness of the stream it can be worked for about two months only during the year in that time it will cut about 50 thousand feet of lumber by 2 hands attending it.</p>
